

Day School's Back to School Letter

August/September Edition: Let's Have An Awesome Year!

How to Sign In/Out

Procare

Families, please remember to sign your children in and out each day. This is a state requirement and VERY important. This is not optional and must be done each day.

Procare is a great connection tool with your child's class. Do not miss out on all the photos and teacher messages. As we continue to work with this program, we are working towards a digital program!

-Thank You to all the parents for entrusting us with your little ones, please know we are doing all we can to keep everyone safe, healthy, and ready to learn.

-Please let the office know of all illnesses.

-Parents please ensure your child is well enough to attend school, sickness spreads easily in a classroom and what you think is nothing major can cause many children, families, and staff to be affected.

-Please make sure there is extra clothing in your child's locker, **please label everything!**

-We understand that late arrivals happen because of doctor's appointments but please let the teachers know beforehand so they can prepare the class for your child's

arrival. According to your parent handbook, parents please bring your child(ren) to school after or before naptime not during. Please be advised that bringing your child significantly late in the day disrupts the child and the classroom environment.

-Parents please check your emails for information!
