Special Notes for Parents:

-Thank You to all the parents for entrusting us with your little ones, please know we are doing all we can to keep everyone safe, healthy, and ready to learn.

-Kindergarten Registration is happening now! Spread the word!

-Please let the office know of all illnesses.

-Parents please ensure your child is well enough to attend school, sickness spreads easily in a classroom and what you think is nothing major can cause many children, families, and staff to be affected.

-Please make sure there is extra clothing in your child's locker, please label everything!

-We understand that late arrivals occur due to doctor's appointments but inform the teachers in advance so that they can prepare the class for your child's arrival. Per your parent handbook, parents please bring your child(ren) to school after or before naptime not during. Please be advised that bringing your child significantly late in the day disrupts the child and the classroom environment.

-Please ensure you have extra clothes in your child's locker, the weather is changing! Please ensure your child has a jacket or coat each day because we go outside daily!

-Parents please check your emails for information!

-The main entrance door is locked from 10 am to 3 pm! Please call if you need to get in.

-Follow the arrows in the parking lot, everyone should go in the right direction to avoid any accidents.

-We encourage parents to be aware of school happenings, please click on the school calendar available on the website. *(special notice: April 29-May 3rd is Teacher Appreciation Week on May 3rd we close at 1 pm for the teacher luncheon)* Click the link below to view the school calendar!
