Let's Get Back to the Basics- *Together, We Can Do It*

As parents of future leaders, it is more important than ever to support our children's education. By following the lesson plans provided by educators, you can help your child get back to the basics and build a strong foundation for their academic growth. Our teachers are not only focused on academic growth but life skills as well. Collaboration is key, so be sure to communicate with your child's teacher to discuss any questions or concerns. By working together, you can create a supportive learning environment that fosters creativity and encourages your child to learn and grow. And remember, it doesn't stop at the end of the school day - let's implement some of the same skills at home to keep the momentum going. Let's embrace the fundamentals of learning and set our children up for a bright future!

Note from the Director's

15 Now they were bringing even infants to him that he might touch them. And when the disciples saw it, they rebuked them. **16** But Jesus called them to him, saying, "**Let the children come to me and do not hinder them, for to such belongs the kingdom of God.** **17** Truly, I say to you, whoever does not receive the kingdom of God like a child shall not enter it."

A prayer for our school:

God, we ask that you bless each family entering our doors. Bless each teacher to lead their class with love. May each school day be filled with happiness and joy. May all our hearts be as pure as each child that enters our building. Dear Lord, cover and protect us from all hurt or harm. Amen

Special Parent Notes:

- Half Day friends started September 5th!
 - Please inform the office of all illnesses
 - Please make sure there is extra clothing in your child's locker, **please label everything!**
 - Please check your emails regularly for information from the school!
 - Extra Curricula activities start on September 11th!
 - Please sign your child in and out each day!
 - On September 28th, we will have a lockdown drill so that teachers and children are prepared.
 - We understand that late arrivals occur due to doctor's appointments or other events please inform the teachers in advance so that they can prepare the class for your child's arrival. **Per your parent handbook, parents please bring your child(ren) to school after or before naptime not during. Please be advised that bringing your child significantly late in the day disrupts the child and the classroom environment.**
- Thank You, to all the parents for entrusting us with your little ones.***
